DAY	TIME
Sunday	10:00 - 11:00 AM
Thursday	6:00 - 7:00 PM
Saturday	9:00 - 10:00 AM

Our Teen/Adult class focuses on the fundamentals of American Kenpo Karate combined with JKD, Kali, and grappling. Guided by our six A's – Acceptance, Awareness, Attitude, Assessment, Action, and Aftermath, our students gain the competence and therefore confidence to not only physically protect themselves but also the skills necessary for non-violent conflict resolution. We emphasize fitness by developing speed, power, strength, endurance, and flexibility along with mental toughness and resiliency. Through this roadmap, our students use the martial arts as a vehicle to be successful in all aspects of their life and leaders in their communities.

FUNDAMENTALS OF GRAPPLING

(Youth - Teen) White belts w/ 1 Yellow stripe and above

DAY	TIME
Sunday	11:15 AM - 12:00 PM

An essential part of self-defense is knowing how to defend yourself on your feet or on the ground when the fight is up close and personal- what we call contact manipulation range. This class builds a strong foundation in just that. Students will learn ground positioning, clinching, takedowns, basic submissions, and ground striking. They will improve their strength, flexibility, cardiovascular endurance, speed, and explosive power.

SPEED, STRENGTH, AND CONDITIONING

(Youth/Teen) White belts w/ 1 Yellow stripe and above

DAY	TIME
Wednesday	5:00 - 5:45 PM

Who doesn't want to be fast, powerful, and fit! Our speed, strength, and conditioning class will use traditional/functional fitness combined with the martial arts to develop and improve our student's strength, speed, flexibility, cardiovascular endurance, and mental toughness.
